

Sixer

Six Channel Portable DMX512 Control Desk

The Strand Lighting Sixer portable DMX512 controller is a small, simple to use, single-preset lighting desk. The Sixer portable DMX512 control desk offers control of six DMX512 lighting channels through its six channel faders and Grand Master.

Features

- Compact size, easy to use
- Six individual channel faders and one Grand Master
- Standard 5-pin DMX512 output connector
- Operates with supplied AC to 9-volt DC adapter or 9-volt battery
- Supplied power supply is CE marked and UL listed
- Available in 120 VAC and 230/240VAC markets
- On-board On/Off switch to save battery life when not in use
